MEMORANDUM FOR THE RECORD

SUBJECT: Release from Accountability for Lost Property

1. The attached letter, DFD-4118-61, dated 27 June 1961, from Eastman Kodak Company lists five items of Government property having a total value of \$330,92 which cannot be accounted for by this Contractor in its residual inventories under Contracts Nos. EQ-1806 and PO-660.

2. Since these contracts were performed over a period of approximately five years and since the nature of the work performed thereunder involved many exigent actions by the Contractor in support of Project operations, the extent of the losses under Contracts Nos. EQ-1806 and PO-660 are considered nominal. It is recommended therefor that the Contractor be relieved of accountability for the items set forth in the attachment.
